**Drivers who have raced continuously may continue up to age 65. New drivers or those returning after a period of absence aged 55 or over will not automatically be issued with a licence. Evidence of fitness will be required from ALL drivers aged 55 or over and at five year intervals thereafter. Drivers aged 16 or 17 will have to provide evidence that they have competed in an approved formula and achieved a high level of competence. They will also have to provide a letter of consent from their parent or guardian giving permission for them to race.**

THE FOLLOWING QUESTIONS MUST BE ANSWERED 'YES' or 'NO' If you answer 'YES' to any of questions d) to m) you will need to provide further details and it may be necessary for you to provide a report from your doctor.

- a) Do you hold a full UK or Country equivalent driving licence .....
- b) Are you colour blind? .....
- c) Do you plan to wear spectacles or contact lenses when you race? .....
- d) Do you suffer from epilepsy or sudden attacks of disabling giddiness or fainting? .....
- e) Are you an amputee? .....
- f) Do you suffer from any defect in movement or control of muscular power in either arm or leg? .....
- g) Have you ever had any form of heart surgery? .....
- h) Do you suffer from any heart or lung disorder? .....
- i) Have you ever had surgery to your neck, back or spine? .....
- j) Do you suffer from any neck, back or spine complaint or disorder? .....
- k) Have you ever had any disease, mental or physical which could endanger your self or other competitors or third party? .....
- l) Do you have any form of disability? .....
- m) Are you currently being prescribed by your doctor any medication or drugs that could put yourself or other competitor or third party at risk? .....

## **TO BE COMPLETED BY APPLICANTS WHO DID NOT HOLD A F1 LICENCE IN 2020**

Have you ever held a competition licence for any oval track formula? YES / NO

IF 'YES' state details starting with the most recent .

Licensing Body..... (eg BriSCA F2, ORCi, Spedeworth, National Ministox etc)

Formula ..... Number ..... Years ..... Last Grade & Year ..... Highest Grade & Year .....

Have you ever been banned by any Licensing Body? YES / NO .....

If Yes provide full details on separate sheet including offence, date, & length of ban

All new competitors to F1 Stock Car Racing and those returning after a lengthy period of absence will have to take a New Driver Assessment. This will take place at your first meeting and full details will be provided with your licence.

**DECLARATION** I declare that to the best of my knowledge and belief that the above answers are true.

I understand the following:

- i) It is an offence to drive a F1 Stock Car or compete in a Stock Car meeting at a track not licensed or recognised by the BriSCA F1 Management Board.
- ii) It is obligatory to study and understand the Regulations that govern BriSCA F1 Stock Car Racing.
- iii) Before I can compete in a F1 Stock Car meeting I must hold a licence and racing number issued by the Licensing Officer. I must also be a member of the British Stock Car Drivers Association (BSCDA) and agree to adhere to the BSCDA Rules of Association.
- iv) My team & family will observe and abide by the Regulations.
- v) It is my responsibility to make sure the car I intend to race conforms to the Regulations, irrespective of whether I am the owner or otherwise and to drive the car according to the Regulations.

**Signature of applicant** ..... **Date** .....
